

## How it Works...

Would you like to make some money from the clothes you've loved and looked after, but now need to kiss goodbye to, to make room for more?!

We, and our customers, would love to hear from you. Bring your clothes and accessories to us and we'll put them on the rails for sale\*.

These are the labels that sell :

**Boden, LKBennett, Karen Millen, Hobbs, Phase Eight, Paul Costello, Jaeger, Jigsaw, Monsoon, Autograph**

Even better, if you've got Dior, Tory Burch, Christian Lacroix, and other designer stuff then let us know. We've taken in these labels and sold them for a lovely price – far more than you'd get on ebay and a lot less fuss!
