“The rails are jam packed with some really lovely clothes, some of them have their original labels still on them. The prices are great value too and the people that run it are really friendly and welcoming.”

“I came down from Derby to visit family and my sister-in-law took me to the shop. I couldn't believe it, they had some really gorgeous clothes on sale and the prices were just brilliant.”

*Amanda Sutcliffe, Derby*

“I went looking for an outfit for a friend's wedding. I managed to get fitted out from top to toe with a beautiful Coast outfit, LK Bennett bag and shoes and even jewellery - fantastic and I got it all for less than I'd have to pay for a 'special occasion' dress in the high street.”
